CELL-PHONE POLICY

Camp Wai'anae is a place for campers to separate themselves from the outside world as much as possible and enjoy their time with their friends, counselor and God - there is no need for technology. Additionally, we want to preserve the safety of your camper(s) at all times while at Camp Wai'anae, and cell-phone usage can complicate and/or hinder this. Therefore, due to our safety rules and regulations, there will be a **designated cell-phone usage time** following lunch, during which campers may use their phones. Outside of this time period, campers' cell-phones will be kept in a safe and secure location by their counselor.

In case of extreme emergencies you may contact our main office and we will get you in contact with your camper(s), but please reserve this for emergencies only, as we do not have the capacity for many campers to receive calls. We must keep our phone lines open throughout the week, therefore if there is ever anything involving your camper(s) that you must know about then we will contact you immediately. If you do not hear from us then that means that your camper is safe and having a great time!

NEW CAMP STORE

Our camp store has various items for your camper's week, such as Camp Wai'anae t-shirts, water bottles and other souvenirs, as well as a variety of snacks and beverages. If you establish a camp store account, please make sure that the amount in the account is suitable for your child. All funds that have not been used by the end of your child's camp week will be donated to the camp. Please explain this to your child. We provide many opportunities throughout the week (at least 4) for campers to visit the store, so they will have ample time to make purchases. These funds help to keep camp available for you and your family at a reasonably low rate. The camp store will also be open during registration and camper pick-up for any last minute and last chance purchases.

ZERO TOLERANCE POLICIES

Camp is a place where we embrace youth and work with everyone in various and unique situations. Being at camp is a privilege, and although we will make every effort to maintain that privilege's availability, there are certain things that are unacceptable. Unfortunately, in the case of one of the following situations, arrangements may be made to send your camper(s) home, at your expense:

Leaving the Campgrounds w/o Permission

Violent Behavior

Drug, Tobacco, or Alcohol Possession/Use

Tampering With, Stealing, or Destroying Camp or Campers' Property

IMPORTANT: If you are registering campers who are not your children or under your direct care, it is YOUR RESPONSIBILITY to communicate these guidelines to their parent(s) and/or legal guardian. To help keep our costs low, we are unable to provide refunds after June 30. If you need to cancel at any point before July 1, there will be a \$25 cancellation fee. By signing this document you are stating that you are aware of our policies, as outlined above.

“We have read and agree to follow the guidelines above, as well as to reimburse Camp Wai’anae for any expenses to cover damages or charges due to infractions.”
